District Executive Council

Districtwide Classified Staff Development Advisory Committee

District Calendar Committee

Fringe Benefits Committee

ARTICLE III - SENIORITY

- 3.1 Seniority is based upon the date of appointment to classified service in the job classification in which he/she works. However, seniority for Community College Police Officers shall include service in the Security Officer I and Security Officer II classifications. Seniority shall accumulate during absences due to illness, layoffs, or leaves of absence as long as such seniority is not terminated in accordance with other provisions of this Agreement.
- 3.2 In cases of layoff, job family classification seniority shall govern and the employee shall be entitled to ninety (90) days' notice prior to the effective date of the proposed layoff. The governing Board may waive this notice when an actual and existing financial inability to pay exists or for cause not foreseeable or preventable. The employee with the least seniority shall be laid off first. When the District rehires any employee in any job classification, employees on layoff from said job family classification shall be rehired in reverse order in which they were laid off. In the event the District needs additional employees in said job family classification, the District shall then offer such work to employees on layoff in other job family classifications within the bargaining unit in accordance with their District seniority, provided such employees are qualified to perform the available work.
- 3.3 Regular part-time employees shall carry their full seniority back to the date of the beginning as a regular part-time employee when they move into a regular full-time position.
- 3.4 A new employee shall begin accruing seniority from the first date of hire; however, this new employee may be summarily discharged the first twelve (12) months of employment at the sole discretion of the District without recourse to the grievance procedure.  - 3.5.1 An employee resigns or quits.
 - 3.5.2 An employee is discharged for cause.
 - 3.5.3 An employee is laid off (furloughed) for a period longer than thirty-nine (39) consecutive months.
 - 3.5.4 An employee, after being laid off, fails to accept the offer to return to work within fifteen (15) calendar days and report to work within thirty (30) calendar days after being notified by certified mail by the District.

ARTICLE III - SENIORITY

- 3.6 When it becomes necessary to reduce the work force in any classification, classification seniority shall prevail. Seniority shall also be granted by employee status; that is, temporary or restricted status employees shall be reduced first, then probationary employees, and finally permanent employees within the classification.

In the case of layoff in any classification, the employee so laid off, in accordance with his/her classification seniority, may bump any employee with less District seniority in an equal or lower classification within the same job family, when the senior employee has had previous satisfactory experience in that classification. However, an employee in a lower classification may not bump an employee in a higher classification regardless of his/her seniority.

- 3.7 The District may make reasonable efforts to utilize furloughed employees for substitute work. Furloughed employees interested in substitute work must file a letter to that effect.
- 3.8 An employee transferred to a job outside of the bargaining unit shall retain his/her accumulated seniority and shall continue to accumulate seniority.

4.1.6 Material derogatory to an employee's conduct, performance, or character shall not be entered in an employee's personnel file unless and until the employee is provided a copy, and given an opportunity to review, comment, and to have such comments attached to the material in question. The employee shall acknowledge that he/she has read such material by affixing his/her signature and the date on the actual copy to be filed, with the understanding that his/her signature signifies only that he/she has read the material and does not necessarily indicate agreement with its contents. The employee's review of, and response, to such derogatory material shall take place during normal working hours, and the employee shall be released from duty for this purpose if necessary without loss of pay.

4.1.7 All derogatory materials shall remain in the District personnel file for a period of two (2) years and then shall be placed and retained in a separate sealed envelope in both the District and department personnel files. These documents contained in the sealed envelope shall not be used or disclosed: 1) except with the written consent of the employee, 2) upon the filing of any action or proceeding by the employee against the District or its agents or employees (including but not limited to a grievance or other complaint or appeal), and/or 3) upon court order or as otherwise compelled by law.

4.2 Discrimination Prohibited

No employee shall be appointed, reduced, removed, or in any way favored or discriminated against because of his/her political opinions or affiliations, or because of race, national origin, religion, marital status, age, gender, sexual preference or physical handicap.

4.3 Rights

4.3.1 Employees shall be free from acts or threats of intimidation, and physical or verbal discrimination, harassment, or aggression.

4.3.2 Employees shall be encouraged to participate in the formation of department policy affecting them.

Said employees shall be entitled to grieve any violation, misinterpretation, or misapplication of the above-mentioned act in accordance with the grievance procedure of this Agreement.

ARTICLE V - WORKWEEK AND HOURS OF WORK

5.1 Workday is defined as the hours of work assigned to the position by the District and includes a thirty (30) minute paid lunch unless otherwise delineated in this Article. The workday and day mean any consecutive 24-hour period commencing at the same time each calendar day. The workday may be extended on an overtime basis by the action of the District.

For the purpose of computing payroll, an employee's day of work will be deemed to be the day of the week that the workday began. For example, if an employee starts the workday on Friday but does not complete the workday until Saturday, the employee's workday for payroll is Friday.

5.2 "Workweek" and "week" consists of five (5) consecutive 24-hour periods (120 consecutive hours) commencing at midnight the same calendar day each week. Each employee's workweek may begin on any day during the week. The beginning of the employee's workweek shall be used to determine eligibility for overtime pay or compensatory time off. Employees shall be scheduled two (2) consecutive days off except that two (2) consecutive days off are not guaranteed at shift change. The day of the week that the employee begins their workweek is subject to change with each departmental shift rotation.

5.3 Alternative Work Schedules

At the option of management or at the request of the unit member, an alternate work schedule may be established in accordance with the provisions below when such assignments are needed for the operation of the District, or if by reason of the work location and duties, the unit member's services are not required for a workweek of five (5) consecutive days. Volunteers in the classification needed will be considered first. If more than one (1) unit member volunteers, seniority will be one of the considerations in making the final decision.

5.3.1. Employee Requested Alternative Work Schedule

The requesting unit member's supervisor/manager will review the request for an alternate work schedule and make sure that it meets all of the following criteria:

1. The proposed alternate work schedule does not interfere with the day-to-day operational needs of the organization as determined by the District;

ARTICLE V - WORKWEEK AND HOURS OF WORK

This schedule shall consist of a two (2) week work period consisting of one (1) workday off and nine (9) days of work, eight (8) of which shall be nine (9) hour days and one (1) of which shall be an eight (8) hour day. The workweek shall begin at the midpoint of the shift on the eight (8) hour day of the week, determined by the immediate supervisor in the best interests of the particular department or program, and shall be defined so that no unit member will be regularly required to work more than forty (40) hours during any given workweek.

5.4 Flex Scheduling

Part-time unit members in positions that are subject to flex scheduling will be guaranteed a specific number of days/hours to be worked within a fiscal year based on the percentage of FTE for the contract assignment. Calculation of total days/hours per fiscal year to be worked shall be based on the industry norm of 2080 (two thousand eighty) hours, which represents the average number of working hours in a year. In any one workday, no unit member shall be required to work fewer than three (3) hours. Eligible holiday hours will be subtracted from the hours to be worked. (See chart in Appendix D)

Unit members subject to flex scheduling will receive their work schedule which shall include days and hours to be worked during the fiscal year no later than thirty (30) calendar days prior to the effective date of any new schedule. Changes at other times of the year to the schedule will be made in accordance with provision of Article 5.6 of this Agreement.

Unit members will receive equal paychecks each month of their work year.

- 5.5 For the purpose of computing overtime, hours worked in excess of the regular eight (8) hour day and in excess of the forty (40) hour workweek will be considered overtime.

ARTICLE V - WORKWEEK AND HOURS OF WORK

- 5.5.1 Time and one-half (1-1/2) compensation will be given for hours worked in excess of the workday or workweek as defined above.
- 5.5.2 An employee who is required to work overtime on a District-recognized holiday will be compensated two and one-half (2-1/2) times for all time worked beyond the workday.

- 5.5.3.2 Scheduled day off: An employee is requested to report to work on a non-scheduled workday.
- 5.5.3.3 Court appearances: An employee is required to attend court as it relates to his/her duty on a workday when the court appearance time is four (4) or more hours before or after the assigned work shift.
- 5.5.4. At the option of the District, overtime compensation may be in the form of compensatory time off or pay. When scheduling non-emergency overtime, the supervisor shall advise the employee if compensation is to be compensatory time off or pay. The employee may decline the assignment.

However, the employee does not have the option to decline the assignment when:

- a) the work day is extended in order to complete an assignment initiated before the conclusion of the employee's workday;
- b) all available employees have been offered and declined the assignment;
- c) the employee is scheduled to attend training;
- d) they are subject to a subpoena or other court summons;
- e) attending a mandatory prescheduled Department meeting. Employees on approved absence are exempt from attending a mandatory prescheduled Department meeting;
- f) In response to an emergency or disaster;

In the case of 5.5.4 (c) and (e) above, the form of compensation shall be at the option of the employee. The employee's preferred compensation option for (a), (b), (d) and (f) above shall be considered by the District.

ARTICLE V - WORKWEEK AND HOURS OF WORK

- 5.5.5 The District will attempt to accommodate requests for compensatory time off within six (6) months of being earned. After six (6) months, if the compensatory time has not been taken or scheduled management shall determine when it will be taken. The amount of compensatory time that an employee may accumulate shall not exceed 480 hours. If an employee reaches the 480 hour maximum, he/she shall receive cash compensation for additional overtime hours worked. When compensatory time is authorized in lieu of cash compensation, such compensatory time off shall be granted within twelve (12) calendar months following the month that the overtime was worked. If one (1) year elapses before the employee can take the compensatory time off, the employee shall automatically be eligible for overtime pay.
- 5.6 An employee whose scheduled workday as defined in 5.1 falls on a District-recognized holiday and is required to work shall receive one and one-half (1-1/2) times their regular rate of pay, in addition to the regular compensation for the holiday. For the time and a half portion of the holiday wage, compensatory time shall be granted at the employee's request and will be scheduled in accordance with section 5.5.5.

14.3 Application for Industrial Accident and Illness Leave

An employee shall report verbally to his/her immediate supervisor any incident in the workplace which involves or may involve injury or illness as soon as possible but not later than twenty-four (24) hours of the occurrence unless the nature of the injury makes notification impossible.

The employee shall submit to his/her immediate supervisor, separate applications for leave, for each time reporting period on the District provided Industrial Accident Leave card.

Each application shall be accompanied by the treating physician's signed statement, either on the District's prescribed form or on the physician's official form or stationery, specifying the duration of the leave, the diagnosis of the injury or illness and the prognosis for recovery.

Not less than three (3) workdays prior to returning from leaves of thirty (30) calendar days or more, employees must provide a written clearance from the attending physician(s) indicating recovery, and fitness to resume a full range of normal duties as determined by the District. Upon return to work, the employee shall file within five (5) days for any remaining leave taken and not covered under previous applications.

14.4 Leave Allowance

The District provides a maximum of sixty (60) working days of full pay leave for each industrial accident or illness commencing on the first day of absence. For the purpose of this Article, a full day of leave is equivalent to the employee's usual workday.

Industrial Accident or Illness Leave shall not accumulate from year to year.

ARTICLE XIV - INDUSTRIAL ACCIDENT AND ILLNESS LEAVE

14.4 Leave Allowance (Continued)

The leave allowance will be reduced by one day for each day of authorized absence regardless of the amount or method of compensation.

All absences or leaves related to Industrial Accidents shall run concurrently with any time eligible to the employee under the Family Medical Leave Act.

In the event that an absence has not been approved as a valid Industrial Accident or Illness leave when the payroll for the employee is being computed, the employee's normal sick leave balance will be charged for any absences which have been supported by a physician's written statements. Upon subsequent notification that the absence has been accepted as an Industrial Accident or Illness Leave the regular sick leave balance will then be adjusted to its previous balance. The District or its representative shall comply with legal notification requirements (currently ninety [90] days) for notifying employees of acceptance or rejection of a claim.

14.5 Compensation

During the first sixty (60) working days of an approved industrial accident claim, the employee shall receive full salary. Thereafter, the employee will receive his/her regular pay utilizing any temporary disability allowance he/she is receiving combined with accumulated sick leave, accumulated compensatory time off, accrued vacation and/or half pay sick leave. The amount of sick and other paid leave will be used only in the amount needed to provide the normal wage or salary. In no event shall the employee, for any period of disability, receive compensation greater than his/her normal salary.

Any draft or check received by the employee representing temporary disability benefits payable under the Workers' Compensation laws (excluding mileage) for a period of disability for which the employee is receiving full salary shall be endorsed and given to the District.

The employee will be provided annually with a statement of all non-taxable temporary disability benefits received for filing with his/her income tax returns.

14.6 Unpaid Health Leave

After all paid leaves have been exhausted and the employee is not medically cleared by the District the employee may request an unpaid health leave. Approval of such request shall be at the discretion of the District.

ARTICLE XIV - INDUSTRIAL ACCIDENT AND ILLNESS LEAVE

14.7 Absence Beyond Expiration of All Leaves

14.7.1 When all available paid or unpaid leaves of absence have been exhausted and the employee is not medically cleared by the District to resume the regular duties of his/her position, the employee shall either retire, if eligible; resign, or be dismissed for reasons of health. The employee's name shall be placed on a reemployment list for a period of thirty-nine (39) months.

14.7.2 If the employee is medically cleared by the District during the thirty-nine (39) month period, the employee shall be reemployed in a vacant position in the class of his/her previous assignment over all other available candidates, except for a reemployment list established because of lack of work or lack of District funds. An employee whose name has been placed on a reemployment list and who has been medically cleared by the District for return to duty, and who refuses to accept an appropriate assignment, shall have his/her name removed from the reemployment list.

14.8 Absence from State

Any employee receiving benefits as a result of this section, shall during periods of injury or illness, remain within the State of California unless the District authorizes travel outside the State.

15.2 Initial Salary Placement

Initial salary placement of newly employed employees shall be on the first step of the appropriate range. Employees with the equivalent of eighteen (18) months of verified, paid, full-time and related job experience of at least three (3) months in duration, shall be moved to Step B of the appropriate range. Employees with the equivalent of thirty-six (36) months of verified, paid, full-time and related job experience of at least three (3) months in duration, shall be moved to Step C of the appropriate range. For purposes of salary placement, 7.5 semester units (or equivalent quarter units) of directly related coursework from a regularly accredited institution will be equivalent to one (1) year of job experience. For purposes of calculation of District short-term non-academic hourly work, 173 (one hundred seventy-three) hours shall be credited as one (1) month of calendar work.

The combination of experience and credits shall not result in placement higher than Step C without specific approval of the Chancellor. Verifications submitted no later than 120 (one hundred twenty) calendar days from the date of employment will be eligible for retroactive salary placement. All other verifications for initial placement will be effective the first of the month following submission to Human Resources. Any additional verifications submitted after one (1) year from the date of hire will not be accepted.

The SDCCPOA will receive a duplicate copy of the salary information form given to the employee at the time of hire.

15.3 Service Increments

Employees shall be granted a one-step salary increase on the first of the month which is concurrent with or immediately following the satisfactory completion of one (1) assignment year of service. Police Officer Trainees shall be moved from the Trainee salary range to the Police Officer salary range effective the first of the month following completion of the Police Academy.

15.4 Pay Warrants

All regular paychecks of employees in the bargaining unit shall be itemized to include all deductions, overtime, holiday pay, additional wage benefits, differentials, longevity, year-to-date gross earnings, and show sick leave and vacation accrued to close of the payroll reporting period.

15.5 Method of Payment

Employees shall receive pay warrants on the last working day of each month.

ARTICLE XV - WAGES

15.6 Underpayments or Overpayments

Proper salary range and step placement is a joint responsibility of the employee and the Classification and Compensation Office. Each employee is encouraged to review their salary placement annually and should the employee suspect that he/she is improperly placed on the salary schedule, this information should be brought to the attention of the District immediately.

In the event of underpayment or overpayment in a unit member's compensation, the following procedures shall control and be applicable only if the unit member, or SDCCPOA, on its own behalf, and on behalf of the affected unit member, agrees upon the fact and amount of underpayment or overpayment, and upon use of these procedures.

Should underpayment or overpayment in compensation occur, for purposes of determining the amount to be refunded or collected, retroactivity shall be limited to one (1) calendar year from the time the error is brought to the attention of the affected unit member or Human Resources. If the error cannot be corrected prior to the issuance of the subsequent pay warrant, retroactivity will be extended until a correct pay warrant is issued.

In cases of underpayment, the District will issue a supplementary warrant for the amount due the unit member.

In cases of overpayment, the unit member shall pay the full amount back to the District within one (1) calendar year from the date of the issuance of the unit member's first pay warrant which includes a deduction for a portion of the overpayment. In cases where the one (1) year time frame would cause the monthly repayment deduction to exceed five percent (5%) of the affected unit member's gross pay for that month, said deduction shall be limited to five percent (5%) of the unit member's gross pay, and the time frame for repayment shall be extended until the full amount is repaid.

15.7 Payroll Errors

Any payroll error resulting in insufficient payment for an employee in the bargaining unit shall be corrected, and a supplemental check issued one (1) working day after the error is discovered by the employee or the District and reported to District Payroll Office or the employee.

ARTICLE XV - WAGES

15.8 Special Payments

Any payroll adjustment due to an employee in the bargaining unit as a result of working out of class, recomputation of hours, or reasons other than procedural errors, shall be made and a supplemental check issued not later than the tenth (10th) day following the end of that monthly pay period.

15.9 Lost Checks

Any paycheck for an employee in the bargaining unit, which is lost after receipt or which is not delivered within seven (7) days of mailing, if mailed, shall be replaced not later than three (3) additional working days following the employee's demand of the Payroll Department for replacement of the check.

15.10 Promotion

Any employee in the bargaining unit receiving a promotion under the provisions of this Agreement shall be moved to the appropriate range and step of the new class to ensure approximately five percent (5%) increase as a result of that promotion, except that the employee may be placed on the last step of the appropriate range if that is the maximum allowable for that class.

15.11 Shift Differential

15.11.1 Employees who work the evening shift will receive a five percent (5%) shift differential.

15.11.2 Employees who work the graveyard shift will receive a seven and one-half percent (7.5%) differential.

15.11.3 Any employee transferred to a non-shift assignment for twenty (20) working days or less in any pay period shall continue to receive shift differential pay for that period. Temporary reassignment of employees to day shift resulting from semester and holiday breaks shall not result in a loss of shift differential for that day.

15.11.4 College Service Officer - Weekend/Holidays hired for the purpose of weekend or holiday coverage will receive a differential of five percent (5%) in lieu of time off for District approved holidays.

ARTICLE XV - WAGES

15.12 Out-of-Class Assignment

For any out-of-class assignment, a unit employee shall be paid an additive amount which, when added to his/her base pay, shall equal the "A" step of the appropriate range, or the step the employee would be placed on if promoted to the classification, whichever is greater. Out-of-class pay shall be for assignments of five (5) days or greater in duration and shall be effective the first day of such assignment. Each quarter, unit members who have accumulated five (5) or more days in an acting sergeant capacity, and have not otherwise been compensated for the out-of-class assignment, will be compensated a five (5%) additive for those days. In cases where the assignment is not reasonably consistent with the full range of duties of an existing higher class, the principle of a five percent (5%) additive shall prevail. The District will notify SDCCPOA of any out-of-class assignments approved for more than a six (6) month period of time.

15.12.1 Collateral and specialized assignments including, but not limited to Field Training Officer (FTO), Bicycle Program Coordinator, Investigator, Rape Aggression Defense Program Coordinator, CSO's who are assigned to perform maintenance and repair on parking meters and daily permit machines and CPTED (Crime prevention through environmental design) are authorized to receive an additional five (5%) percent out-of-class additive. The Bicycle Program Coordinator and Investigators will receive the additive only while in these assignments. FTO's will receive the additive only during the time they have trainees assigned to them.

15.13 Mileage

An employee of this unit who is required to utilize his/her personal vehicle on District business shall be reimbursed at the prevailing IRS rate per mile for all District business mileage. District business mileage does not include miles driven to an employee's regularly assigned work location.

In computing District business mileage, starting and finishing points shall be the regularly assigned work location of the employee. In the event an employee does not depart from his/her regularly assigned work location at the beginning of the business day, or return to that regularly assigned work location at the end of the day, he/she shall deduct from the total mileage: (1) the distance from his/her home to his/her first stop; or (2) the distance from his/her home to his/her regularly assigned work location, whichever is less.

A unit member who works outside his/her regular hours of employment shall be eligible for mileage if s/he is required to use his/her personal car once s/he has reported to his/her assigned work location for that day.

15.13.1 Training and Travel Expenses

Any employee required to attend training or perform duties requiring travel shall be reimbursed for necessary and reasonable expenses to the extent authorized by, and subject to, the requirements of District rates and regulations.

15.14 Employer "Pickup" Program of Retirement Contributions

Effective March 1, 1991, the District agrees to implement Employer "Pickup" Program of employee contributions to PERS under Internal Revenue Code 414(h)(2). This allows the employee's gross salary to be reduced by the amount the employee contributes to PERS. Both federal and state taxes would be computed based upon this reduced gross.

It is agreed that this "pickup" shall not be construed as requiring an increase or decrease in compensation for any employee and that employee contributions to PERS are still considered part of the employee's compensation for all purposes except tax deferral under the Employer "Pickup" Program.

It is agreed that the District has made no representation regarding tax or other consequences of the Employer "Pickup" Program with regard to any particular employee or group of employees and that any questions by any employee should be directed to his or her personal financial, legal, or tax advisor.

15.15 Longevity Step

Effective January 1, 1998, a 'Longevity Step' will be added to the salary schedule. A regular monthly classified employee covered by this Agreement shall be eligible for advancement to 'Longevity Step' of the salary schedule upon completion of ten (10) years of continuous service with the District as a regular classified monthly employee with three (3) years of continuous service at Step 'F' of their current classification. Advancement will be effective on the first of the month following application and completion of required service.

Effective January 1, 2005 and continuing until June 30, 2006, the District, as a recruitment and retention incentive, agrees to pay police officers who retire from PERS a percentage of their balance of full salary sick leave hours at the time of retirement based on their years of service. This provision will sunset effective June 30, 2006, or at such time as the police officers are covered through Public Safety PERS, whichever is earlier, unless the parties specifically extend the provisions in writing. The pay structure would be:

- 25% for employees who have a minimum of 10 years of service up to a maximum of \$10,000
- 40% for employees who have a minimum of 15 years of service up to a maximum of \$10,000
- 50% for employees who have a minimum of 20 years of service up to a maximum of \$10,000.

This offset payment will not affect their sick leave balances reported to PERS.

ARTICLE XVI - DISCIPLINE AND DUE PROCESS

16.1 Discipline

16.1.1 Through the discipline process, the District shall maintain the right to reprimand, suspend, demote or discharge any employee for cause. Verbal counseling and notes of counseling shall not be considered disciplinary action.

16.1.2 Discipline includes written reprimands, suspensions (with or without pay), demotions, and dismissals for cause. No employee can be disciplined for any single incident beyond ninety (90) calendar days following the occurrence or knowledge of said incident by the supervisor except in the following circumstances:

In cases involving (a) through (f), no employee can be disciplined for any single incident beyond one (1) year following the occurrence or knowledge of said incident by the supervisor.

In the case where an employee demonstrates either continuing or repeated problems, or several infractions which all relate to a serious behavior, performance, or attitude problem, the employee may be disciplined on all such incidents occurring within a two (2) year period.

16.1.3 An employee absent from duty without permission for five (5) consecutive working days shall be considered to have voluntarily resigned and shall be so notified in writing. The employee shall be provided due process limited to an administrative appeal to the Assistant Chancellor, Facilities if a request for a meeting is made within five (5) calendar days of the notice. Article amended 1/9/06 per side-letter 05-02

ARTICLE XVI - DISCIPLINE AND DUE PROCESS

16.1.4 Employees shall be free from disciplinary action without proper regard for due process.

16.2 Disciplinary Options

16.2.1 When problems arise in the performance of assigned duties and responsibilities, the District will make reasonable attempts to assist the employee in correcting those problems. Should discipline be warranted, such discipline shall be administered progressively, beginning with a measure appropriate to the severity of the infraction.

16.2.2 While employee(s) may be given a verbal counseling or issued a note of counseling, such counseling, whether verbal or written, shall not be considered disciplinary action. The District may use notes of counseling to document perceived deficiencies in performance that are not deserving of formal discipline. Such counseling memoranda should not be used to document specific incidents of misconduct, but only to remind employee(s) of District policies and the expectation that such policies will be met by the employee(s). Such counseling memoranda will be retained for either six (6) months or the next performance evaluation, whichever is sooner, and do not have to be referenced in the employee(s) performance evaluation. Employee(s) will not be allowed to appeal a counseling memorandum, but will be afforded rebuttal rights pursuant to Government Code Section 3306.

16.2.3. When disciplinary action is appropriate, employee(s) may be given written reprimands, suspensions (with or without pay), demotions, or dismissed from the District.

16.3 Due Process

16.3.1 All unit members may appeal a formal written reprimand to the Assistant Chancellor, Facilities as provided in the Police Officers Bill of Rights, within ten (10) working days. Such a right to appeal, along with the time limitation to appeal, must be stated in the written reprimand itself. The reprimand appeal hearing process shall consist of the following:

16.3.1.1 The hearing will be tape recorded by the hearing officer. The officer may also tape record the session.

16.3.1.2 The hearing officer shall consider all relevant documentary and sworn testimonial evidence from the Department as well as that offered by the employee(s).

Article amended 1/9/06 per side-letter 05-02

ARTICLE XVI - DISCIPLINE AND DUE PROCESS

- 16.3.1.4 The burden of proof by the preponderance of the evidence shall be on the Department, not the employee(s).
- 16.3.1.5 After hearing all the evidence, the hearing officer shall decide whether or not the written reprimand should be affirmed or overturned. The hearing officer shall not be empowered to raise the level of discipline.
- 16.3.1.6 The hearing officer will provide a written decision to the parties, within five (5) days after the matter is heard, unless both sides agree to an extension. The hearing officer's written decision shall separately list any sustained charges and the facts supporting those charges. The hearing officer's written decision shall be administratively final.
- 16.3.2 All permanent employee(s) shall be provided the opportunity for a pre-disciplinary hearing conducted by the appropriate management employee(s) next in line to the recommending supervisor, prior to implementation of any disciplinary action that may lead to dismissal, demotion, suspension, reduction in salary, or transfer for purposes of punishment.
- 16.3.3 In all cases involving a pre-disciplinary hearing, the appropriate manager, serving as a hearing officer, shall be required to provide to the employee(s) in writing the following:

Article amended 1/9/06 per side-letter 05-02

ARTICLE XVI - DISCIPLINE AND DUE PROCESS

- 16.3.4 The pre-disciplinary hearing date and time shall be set no sooner than seventy-two (72) hours after delivery of the written notice, unless an earlier date is mutually acceptable or an emergency situation exists. Holidays and weekends shall not be included in the seventy-two (72) hour period.
- 16.3.5 After the pre-disciplinary hearing has been concluded and all pertinent facts have been reviewed, the hearing officer shall notify the parties in writing of the final decision within ten (10) calendar days of the pre-disciplinary hearing.
- 16.3.6 If discipline is imposed the final notice of disciplinary action shall contain (1) the exact discipline imposed and the effective date(s), (2) the statement of charges, (3) the facts upon which the final decision to discipline is based, (4) a statement of the employee(s) right of a hearing/appeal, (5) the time within which a hearing must be requested, and (6) a statement the signing and filing of which shall constitute a demand for a hearing/appeal. The disciplinary decision may be appealed through the grievance procedure beginning at Step 4. (Article XIX – Request for advisory arbitration).
- 16.3.7 Disciplinary actions taken against permanent employee(s) that may lead to dismissal, demotion, suspension, reduction in salary, or transfer for purposes of punishment are subject to the grievance procedure as described in Article 19, and only after the pre-disciplinary hearing officer's decision has been served on the employee(s).
- 16.3.8 The arbitrator's decision shall be communicated to the Board of Trustees and shall be advisory.

16.4 Discharge of Probationary Employee

A probationary employee may be discharged during the first twelve (12) months of employment for failure to meet expected standards at the discretion of the District, without recourse to the grievance procedure.

A probationary employee who is released for misconduct that he/she denies is entitled to a "liberty interest" hearing, but may not appeal the dismissal decision.

Article amended 1/9/06 per side-letter 05-02

ARTICLE XVII - SUBCONTRACTING

- 17.1 The District reserves the right to contract out any work permitted by statute now being performed by unit employees.
- 17.2 The District agrees that for the duration of this three (3) year Agreement, College Police Department Services will not be eliminated and will continue to maintain the Department as a POST certified agency.

No later than one hundred eighty (180) days prior to contracting out the work, the District shall consult with the Association. The District shall attempt to relocate employees affected by subcontracting.

- 17.3 If the Department is unable to fill shifts due to insufficient staffing, physical plant security and/or coverage for special event activities may be covered by contracted services.
- 17.4 The District may utilize the Retired Senior Volunteer Program (RSVP) in accordance with the March 10, 2004 memo from the Chief. (See Appendix E)

ARTICLE XVIII - MAINTENANCE OF OPERATIONS

18.1 Maintenance of Operations

It is recognized that the need for continued and uninterrupted operation of the District is of paramount importance and that there should be no interference with such operations.

The Association agrees that neither the Association nor any person acting in its behalf shall cause, authorize, engage in, or sanction a strike against the District, or the concerted failure to report for duty.

The Association further agrees it shall not cause, engage in, encourage, or assist in any strike or similar action or conduct on the part of other employee organizations of the District.

Nothing contained in this Agreement shall be construed to restrict or limit the District in its right to seek and obtain judicial relief as it may be entitled to have under law for any violation of this or any other Article, and to take such action as it deems necessary to discipline any employee for violation of this Article. Employees shall not be entitled to any wages while engaged in any strike, work stoppage, or other interruption of work.

ARTICLE XIX - GRIEVANCE PROCEDURE

19.1 Definitions

19.1.1 A grievance may be filed whenever a party alleges that there has been a violation of the terms of this Agreement.

19.1.2 An immediate supervisor means the individual who assigns, reviews, and directs the work of the grieving employee.

19.1.3 A grievant is an employee, group of employees or the Association.

19.1.4 An employee representative is an individual designated by the Association.

19.1.5 The failure of the Association or the employee to act on any grievance within the prescribed time limits will act as a bar to any further appeal. Management's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. (See Appendix F) The time limits, however, may be extended by mutual agreement.

19.1.6 An investigation or other handling or processing of any grievances shall be conducted so as to result in minimal interference with, or interruption of, the instructional program and related work activities of the grieving employee or of the staff.

19.1.7 Days shall mean calendar days.

19.1.8 Reference to any management representative shall include designee.

19.2 Procedure

19.2.1 The grievant shall have the right to be accompanied by an Association representative at each step.

19.2.2 Step I – Immediate Supervisor

No later than thirty (30) days after an alleged grievance occurs, an attempt shall be made to resolve the matter in informal verbal discussion between the grievant and his/her supervisor. The supervisor shall make his/her decision known to the grievant within four (4) days of the Step I meeting.

ARTICLE XIX - GRIEVANCE PROCEDURE

19.2.3 Step II – Chief of Police

If the grievance cannot be resolved informally, the grievant shall reduce the allegation and remedy sought to writing on the District Grievance Form. Such forms are available in the Human Resources Office or from the Association. The grievant must file, within twelve (12) days of the supervisor's oral decision, a completed copy of the grievance form.

Within twelve (12) days after such written grievance is filed, the grievant and the Chief of Police shall meet to attempt to resolve the grievance. The Chief of Police shall provide a written decision to the grievant within twelve (12) days of the filing of the Step II meeting.

19.2.4 Step III – Vice Chancellor, Facilities Management

If the grievance has not been resolved at the Second Step, the grievant may file, within twelve (12) days of the Chief of Police's written decision, an exact copy of the written grievance on the District form with the Vice Chancellor, Facilities Management. Within twelve (12) days after such written grievance is filed, the grievant and the Vice Chancellor, Facilities Management shall meet to resolve the grievance. The Vice Chancellor, Facilities Management, shall provide the grievant with a copy of the written decision within twelve (12) days following the Step III meeting.

19.2.5 Step IV-Mediation (Optional)

If the grievance is not resolved at Step III either party may request mediation. However, both parties must agree to the use of the mediation process. Such request shall be made in writing to the Vice Chancellor, Human Resources, or the designee, within twelve (12) days of the Step III decision. Both parties shall be notified when the request for mediation is made.

If the use of mediation is agreed to, within twelve (12) days of receipt of the request for mediation, the Human Resources Office shall request the services of the California Mediation Service.

The mediation session shall be scheduled at the earliest date that the mediator is available. The mediator shall meet with the parties in an effort to resolve the grievance. The mediator shall have no authority to impose a settlement upon the parties.

ARTICLE XIX - GRIEVANCE PROCEDURE

19.2.6 Step V- Arbitration

Within forty-five (45) days following receipt by the grievant of the Third Step decision, the grievance may be submitted to advisory arbitration with approval of the Association except in the case of an appeal of a disciplinary action (see 19.3). The request for advisory arbitration shall be made in writing to the Vice Chancellor, Human Resources on the grievance form provided by the District. (See Appendix F)

Within five (5) days after receiving the request for advisory arbitration, the District shall request the State Conciliation Service to supply a hearing officer. This person shall be designated as the arbiter. Fees and expenses, if any, of the arbiter shall be shared by the District and the grievant. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other. The hearing officer shall present his/her written advisory decision to the grievant and to the District.

Either the grievant or the District may appeal the advisory decision of the hearing officer to the Board of Trustees within twelve (12) days after receipt of such advisory decision. Thereafter, the final decision shall be made by the Board of Trustees in a timely manner.

19.3 Restrictions

If the employee files any action or proceedings other than under this procedure, then the District shall not be required to process the same claim or set of facts under this procedure.

An employee who is appealing discipline that is subject to the grievance process may file the request for arbitration without the Association's concurrence. In such case, the employee will bear half the cost of the arbiter and all costs associated with such representation.

An appeal of discipline (request for advisory arbitration) shall be made in writing to the Vice Chancellor, Human Resources within forty-five (45) days of the date of the final notice of discipline.

ARTICLE XX - SEPARABILITY AND SAVINGS

- 20.1 If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held invalid by operation of law or by a court or other tribunal of competent jurisdiction, such provision shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect.

- 20.2 In the event that any Article or Section is held invalid or enforcement of or compliance with which has been restrained as above set forth, the parties affected thereby shall enter into immediate negotiations, upon the request of the Association or the District, for the purpose of arriving at a mutually satisfactory replacement for such Article or Section during the period of invalidity or restraint. If the parties do not agree on a mutually satisfactory replacement, then both parties shall have recourse through the grievance procedure.

ARTICLE XXI - EVALUATION

21.1 Evaluation Responsibilities

28.1 Purpose

The San Diego Community College District (District) and Police Officers Association (SDCCPOA) have an interest in providing a safe workplace, free from alcohol and/or controlled substances. The District prohibits the possession or use of alcohol and/or controlled substances in the workplace or arriving to work under the influence of alcohol or controlled substances. It is the intention of this Article to define the process that will be followed by the District Police Department Administration if any employee is believed to be in violation of the provisions of this Article.

Employees who think they have a substance abuse problem, and/or job performance problems related to substance abuse, are urged to voluntarily seek confidential assistance from the Employee Assistance Program (EAP). Employees may contact the Employee Relations Manager who will confidentially facilitate the necessary arrangements with the Chief of Police and EAP.

28.2 Definitions

Substance Abuse – The improper use of alcohol, controlled substances such as illegal drugs, prescription drugs, or any other substance which impairs an employee’s ability to safely and effectively perform the functions of a particular job.

Reasonable Suspicion – A belief based on objective facts sufficient to lead a reasonably prudent person to suspect that an employee is under the influence of a substance so that the employee’s ability to perform the functions of the job is impaired or so that the employee’s ability to perform his/her job safely is reduced. Reasonable suspicion may result from actual observation of the use or ingestion of a substance by an employee. It may be based on reliable information that the employee is currently or has recently used or possessed a controlled substance, or open container with alcohol on the job. Reasonable suspicion may result from an observation of physical symptoms such as odor of an alcoholic beverage; slurred speech; red, watery eyes; unsteady gait; dilated or constricted pupils; and drowsiness or actual sleeping on the job. In addition, reasonable suspicion may result from the observation of behavioral symptoms such as severe mood swings, unexplained personality changes, inattention to personal hygiene, and frequent accidents.

Controlled Substance – Unless otherwise specified means a drug, substance, or immediate precursor which is listed in any schedule in Section 11054, 11055, 11056, 11057, or 11058 of the California Health and Safety Code.

The Lieutenant will contact the Captain of the San Diego Police Department Narcotics Unit and will request that a Drug Recognition Expert (DRE) Investigator respond to the Sergeant’s location. ARTICLE XXXI - OUTSIDE EMPLOYMENT

31.1 Background

The San Diego Community College Police Department tries not to impose unnecessary restraints on the personal lives of employees. - 31.2.10 An employee requesting approval for outside employment shall submit a Request for Outside Employment Form through his/her immediate supervisor.
- 31.2.11 The Chief of Police will approve or disapprove requests for outside employment utilizing the following criteria in addition to those enumerated in the other sections of this Article:

A decision will be made and communicated to the employee within three (3) working days.
- 31.3.2 Once granted, approval for outside employment will be revoked or annual renewal denied only if the terms and conditions above are not met and/or the outside employment has posed a conflict of interest, created an appearance of impropriety, or has brought discredit on the Department or the District.

- 32.1 This Agreement shall remain in effect from July 1, 2004 through June 30, 2007. Allocation Formula

Three-year term for settlement (2004-05 thru 2006-07)

The District will develop a standard for a normally expected ending balance. Ending Balance exceeding this standard, will be reviewed carefully for possible reduction in subsequent fiscal years. The goal of this activity is to bring continuous revenue in line with continuous expenditures in the approved budget.

From the COLA and Growth funds available as described during each fiscal year below, each bargaining unit included in the formula shall have discretion over how its portion of these funds are distributed, provided they are used for improving the compensation or benefit levels of existing programs or reassigned time for the purpose of union business. If a bargaining unit wants to implement a new program, or modify workload, the terms and conditions of the new program or workload modification will have to be negotiated with the District.

Following past practices, employee unit salary or benefit increases in restricted programs are to be absorbed by the program's funding.

The District will annually prepare and make available upon request a market survey of the comparability of each bargaining/meet and confer unit's salary schedule to that of selected benchmark districts and the other four local community college districts. Based upon the results of this study, the District may choose to allocate additional resources to selected bargaining units from the District's share of resources from this allocation model.

2004-05

80% State COLA for employee unit salary/economic improvement to be distributed as an equal percentage among all units.

Full FTES scheduled growth for 2004-05 will be budgeted to offset COLA distributed to employee units 2004-05.

At the close of the fiscal year 2003-04 a determination will be made as to how much of the 2004-05 equalization revenues (if any) will be needed to balance the 2004-05 budget. This determined amount will be carried forward as a continuous revenue item to be used to balance the 2005-06 and 2006-07 budgets.

Equalization in excess of this amount will be allocated to cover increased costs to Health and Welfare benefits as of January 2005. Unused amounts will be reserved for future year Health & Welfare cost increases. These funds which will be called the Benefit Reserve will be applied in the following priority order:

1. To cover premium increases to fully fund Dental and Vision coverage.
2. To fully fund the least expensive Medical program.
3. To as much as possible raise the cap of the other medical plan to match the District contribution rate to what is covered in #2. If the other plan exceeds the cap of #2 no additional funding will be provided.
4. Hold any remaining funds in a reserve for future increases to be applied in the order noted.

This will be the only source of funds to cover increase Health & Welfare benefit costs. If costs exceed these available resources they will be borne by the employee, unless that bargaining unit elects to divert COLA or Growth resources to pay for benefit costs.

Any contribution by the equalization fund or the employee will not be counted as expenditures when determining if continuous revenue covered continuous expenditures. Should continuous revenue exceed continuous expenditures, 50% will go to the Benefit Reserve Account (continuous reserve) and 50% to increase the Reserve for Economic Uncertainty (continuous reserve).

If new continuous revenues become available through a new program, (not an increase in a current program or its shift from categorical to general apportionment) the District agrees to open discussion regarding the formula and the distribution of those new program dollars. Should such current or new program be reduced, eliminated or deficated, the parties agree to open discussion during the year of decrease in order to recover the funds from the formula in the succeeding year.

2005-06

80% State COLA for employee unit salary/economic improvement to be distributed as an equal percentage among all units.

20% of FTES growth funds will be distributed to employee units as salary/economic improvement and paid as of July 2007 after the P-1 adjustments for 2005-06 have been determined February 2007. Balance of resources to address FTES classroom expansion 2006-07 followed by additional continuing cost needs.

Equalization in excess of the amount determined at the close of 2004-05 budget year will be allocated to cover increased costs to Health and Welfare benefits as of January 2006. Unused amounts will be reserved for future year Health and Welfare increases.

Increases in Equalization will be distributed 60% to the Benefit Reserve and 40% for other District needs with the first priority being reducing the budgetary reliance on one-time funds.

These funds which will be called the Benefit Reserve will be applied in the following priority order:

1. To cover premium increases to fully fund Dental and Vision coverage.
2. To fully fund the least expensive Medical program.
3. To as much as possible raise the cap of the other medical plan to match the District contribution rate to what is covered in #2. If the other plan exceeds the cap of #2 no additional funding will be provided.
4. Hold any remaining funds in a reserve for future increases to be applied in the order noted.

This will be the only source of funds to cover increase Health & Welfare benefit costs. If costs exceed these available resources they will be borne by the employee, unless that bargaining unit elects to divert COLA or Growth resources to pay for benefit costs.

Any contribution by the equalization fund or the employee will not be counted as expenditures when determining if continuous covered continuous expenditures. Should continuous revenue exceed continuous expenditures, 50% will go to the Benefit Reserve Account and 50% to increase the Reserve for Economic Uncertainty.

If new continuous revenues become available through a new program, (not an increase in a current program or its shift from categorical to general apportionment) the District agrees to open discussion regarding the formula and the distribution of those new program dollars. Should such current or new program be reduced, eliminated or deficated, the parties agree to open discussion during the year of decrease in order to recover the funds from the formula in the succeeding year.

2006-07

80% State COLA for employee unit salary/economic improvement to be distributed as an equal percentage among all units.

30% of FTES growth funds will be distributed to employee units as salary/economic improvement and paid as of July 2008 after the P-1 adjustments for 2006-07 have been determined February 2008. Balance of resources to address FTES classroom expansion 2007-08 followed by additional continuing cost needs.

Equalization in excess of the amount determined at the close of 2004-05 budget year will be allocated to cover increased costs to Health and Welfare benefits as of January 2007. Unused amounts reserved for future year Health and Welfare increases. Increases in Equalization will be distributed 60% to the Benefit Reserve and 40% for other District needs with the first priority being reducing the budgetary reliance on one-time funds.

These funds which will be called the Benefit Reserve will be applied in the following priority order:

1. To cover premium increases to fully fund Dental and Vision coverage.
2. To fully fund the least expensive Medical program.
3. To as much as possible raise the cap of the other medical plan to match the District contribution rate to what is covered in #2. If the other plan exceeds the cap of #2 no additional funding will be provided.
4. Hold any remaining funds in a reserve for future increases to be applied in the order noted.

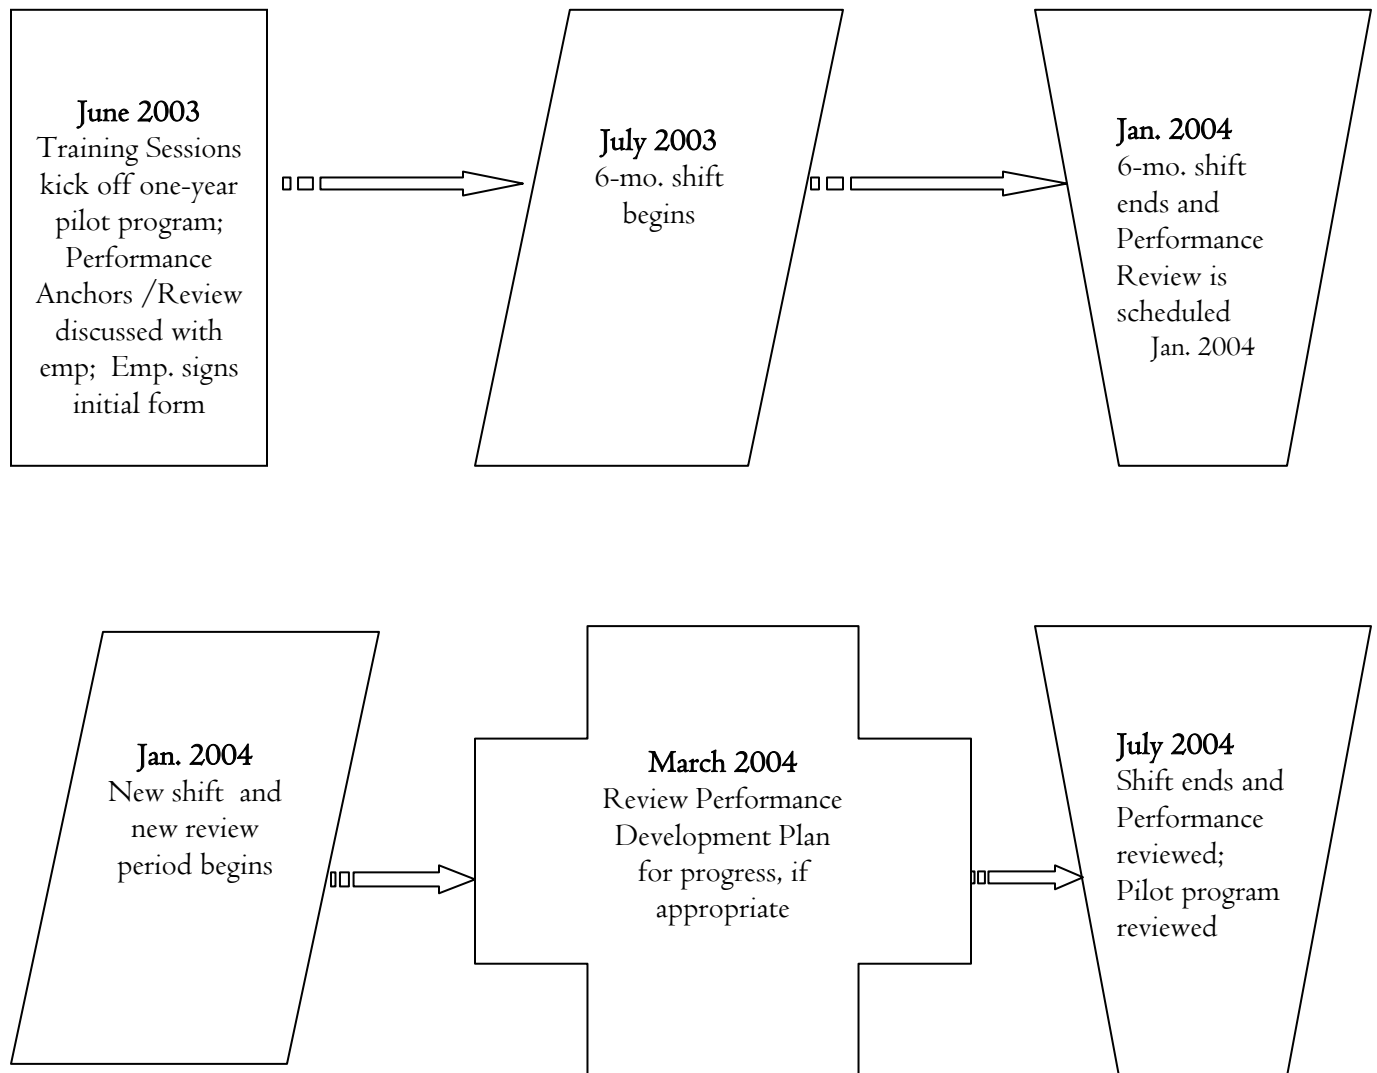

This will be the only source of funds to cover increase Health & Welfare benefit costs. If costs exceed these available resources they will be borne by the employee, unless that bargaining unit elects to divert COLA or Growth resources to pay for benefit costs.

If new continuous revenues become available through a new program, (not an increase in a current program or its shift from categorical to general apportionment) the District agrees to open discussion regarding the formula and the distribution of those new program dollars. Should such current or new program be reduced, eliminated or deficated, the parties agree to open discussion during the year of decrease in order to recover the funds from the formula in the succeeding year.

The 2006-07 ending balance of each District department/campus will be subtracted from their 2007-08 budget allocation and held in a reserve account. This continues to bring continuous revenue and expenditures into balance. (Any contribution by the equalization fund or the employee will not be counted as expenditures when determining if continuous revenues cover continuous expenditures.) Should continuous revenue exceed continuous expenditures, 50% will go to the Benefit Reserve Account and 50% to increase the Reserve for Economic Uncertainty.

EMPLOYEE PERFORMANCE PLAN**

INTRODUCTION

The review of College Police employee performance by the District is intended to be both evaluative and developmental in nature. Raters play a critical role in this process. No one should be participating as a Rater without orientation/training. The Officers being appraised should work closely with the Immediate Supervisor/Rater in terms of two-way communication, understanding the Performance Anchors and benefiting from the Performance Development Plan.

PROCEDURERater's Guide:

Prior to the beginning of the initial evaluation period each Officer will receive a copy of the Rater's Guide, which lists all Performance Anchors and criteria defining expectations. The Officer will sign and date the appropriate section on the Employee Performance Review form indicating that the Officer has received a copy of the Rater's Guide.

Employee Performance Review, Page 1: The First Level Supervisor will serve as the Rater.

1. In the section for the applicable 6-month rating period, the Rater will fill in the name and ID number of the Officer being evaluated.
2. In the same section, the First Level Supervisor signs his/her own name, ID number and date.
3. In the space provided, the Rater will write the dates inclusive in the 6-month rating period.
4. In the space provided the Rater will note which Rater's Guide edition was used in the current rating period.
5. Note that each Performance Anchor has a clear description of the ability level expected of the Officer.
6. The First Level Supervisor will schedule the performance review meeting with the Officer approximately one week in advance. The Rater will ask the Officer for any input, record of accomplishments, commendations or special assignments that the Officer would like considered in the performance review. The Officer will provide this material prior to the scheduled meeting.
7. Based on the Supervisor's knowledge of the Officer's job assignment, observation of on-duty performance, written materials, and behavioral examples under each criterion, the Rater will make the determination of the current progress of the Officer and mark the appropriate box. For each Performance Anchor rate the employee in one of the three categories, or as "Not Observed."
8. The "Not Observed" category applies to the subject areas that may have been assigned too recently to be evaluated, for areas that have never been directly observed by the Supervisor, or for areas that the Officer is not expected to perform in their current assignment and therefore should not be rated on.
9. The Lieutenant will review, sign, and date the form as the Reviewer of the Employee Performance Review document.
10. The Rater should discuss the Employee Performance Review with the Officer.

PROCEDURE – cont’dEmployee Performance Review, Page 2:

1. A separate page 2 (accomplishments, commendations, special assignments, supervisor and employee comments) will be completed and attached for each rating period.
2. The Rater will write the Officer’s name, ID number, Rating Period, and Rating Period dates sections.
3. The Supervisor will also complete all sections that apply to the Officer’s performance: assigned duties, additional accomplishments, commendations and/or special assignments.
4. The Officer may write in the Employee Comments section.
5. The Officer signs and dates the document. The signature indicates that the Rater has reviewed the Employee Performance Review with the Officer and that the Officer has received a copy. During the pilot program, the Officer retains the document and will make it available to the Supervisor(s) upon request.
6. This page 2 will remain with page 1 of the evaluation form.

Performance Development Plan – 1st phase - Development:

1. This form will be required for Officers who receive a “Needs Development” rating in a Performance Anchor area(s), and will be optional for others.
2. The Rater will determine if this form will be utilized for any Officer who receives a “Fully Competent” or “Exceeds Expectations” rating in an Performance Anchor area.
3. The Rater writes the Officer’s name and Classification at the top of the form and checks the appropriate box indicating the form is “required” or “optional.”
4. The Rater clearly describes the performance area requiring improvement.
5. The Supervisor specifically outlines actions that the Officer should take to improve performance (e.g. training classes, counseling, special assignments, etc.).
6. The Supervisor initials the form and writes the future date for the performance to be reviewed.
7. The Officer initials the form at the same meeting.

Performance Development Plan – 2nd phase – Follow-up Review:

1. Approximately 3 months into the next 6-month rating period, the Supervisor and Officer meet to discuss progress with the Performance Development Plan.
2. The Supervisor writes the developmental actions that the Officer has taken to improve and describes the current performance.
3. The Immediate Supervisor signs and dates the form.
4. The form is reviewed by the Supervisor’s next line of authority who also signs and dates.
5. The Officer signs and dates the form indicating when the Follow-up Review has been discussed with him/her.

PUBLIC SAFETY OFFICERS PROCEDURAL BILL OF RIGHTS ACT (POBR)

The District agrees to include the following language of the Public Safety Officers Procedural Bill of Rights (POBR) Act in the Agreement. The parties entered into this agreement with the understanding that any legislative changes to the POBR made during the term of the contract will be applicable to the parties but will not cause the District to update this Appendix of the Agreement, for purposes of republishing the Agreement, during the term of the contract.

In the event of any conflict in language between the POBR and the Collective Bargaining Agreement, the Agreement will prevail unless POBR provides the employee the greater benefit

3300. This chapter is known and may be cited as the Public Safety Officers Procedural Bill of Rights Act.
3301. For purposes of this chapter, the term public safety officer means all peace officers specified in Sections 830.1, 830.2, 830.3, 830.31, 830.32, 830.33, except subdivision (e), 830.34, 830.35, except subdivision (c), 830.36, 830.37, 830.38, 830.4, and 830.5 of the Penal Code.

The Legislature hereby finds and declares that the rights and protections provided to peace officers under this chapter constitute a matter of statewide concern. The Legislature further finds and declares that effective law enforcement depends upon the maintenance of stable employer-employee relations, between public safety employees and their employers. In order to assure that stable relations are continued throughout the state and to further assure that effective services are provided to all people of the state, it is necessary that this chapter be applicable to all public safety officers, as defined in this section, wherever situated within the State of California.

3302. (a) Except as otherwise provided by law, or whenever on duty or in uniform, no public safety officer shall be prohibited from engaging, or be coerced or required to engage, in political activity.
 (b) No public safety officer shall be prohibited from seeking election to, or serving as a member of, the governing board of a school district.
3303. When any public safety officer is under investigation and subjected to interrogation by his or her commanding officer, or any other member of the employing public safety department, that could lead to punitive action, the interrogation shall be conducted under the following conditions. For the purpose of this chapter, punitive action means any action that may lead to dismissal, demotion, suspension, reduction in salary, written reprimand, or transfer for purposes of punishment.

(a) The interrogation shall be conducted at a reasonable hour, preferably at a time when the public safety officer is on duty, or during the normal waking hours for the public safety officer, unless the seriousness of the investigation requires otherwise. If the interrogation does occur during off-duty time of the public safety officer being interrogated, the public safety officer shall be compensated for any off-duty time in accordance with regular department procedures, and the public safety officer shall not be released from employment for any work missed.

(b) The public safety officer under investigation shall be informed prior to the interrogation of the rank, name, and command of the officer in charge of the interrogation, the interrogating officers, and all other persons to be present during the interrogation. All questions directed to the public safety officer under interrogation shall be asked by and through no more than two interrogators at one time.

(c) The public safety officer under investigation shall be informed of the nature of the investigation prior to any interrogation.

(d) The interrogating session shall be for a reasonable period taking into consideration gravity and complexity of the issue being investigated. The person under interrogation shall be allowed to attend to his or her own personal physical necessities.

(e) The public safety officer under interrogation shall not be subjected to offensive language or threatened with punitive action, except that an officer refusing to respond to questions or submit to interrogations shall be informed that failure to answer questions directly related to the investigation or interrogation may result in punitive action. No promise of reward shall be made as an inducement to answering any question. The employer shall not cause the public safety officer under interrogation to be subjected to visits by the press or news media without his or her express consent nor shall his or her home address or photograph be given to the press or news media without his or her express consent.

(f) No statement made during interrogation by a public safety officer under duress, coercion, or threat of punitive action shall be admissible in any subsequent civil proceeding. This subdivision is subject to the following qualifications:

(1) This subdivision shall not limit the use of statements made by a public safety officer when the employing public safety department is seeking civil sanctions against any public safety officer, including disciplinary action brought under Section 19572.

(2) This subdivision shall not prevent the admissibility of statements made by the public safety officer under interrogation in any civil action, including administrative actions, brought by that public safety officer, or that officer's exclusive representative, arising out of a disciplinary action.

(3) This subdivision shall not prevent statements made by a public safety officer under interrogation from being used to impeach the testimony of that officer after an in camera review to determine whether the statements serve to impeach the testimony of the officer.

(4) This subdivision shall not otherwise prevent the admissibility of statements made by a public safety officer under interrogation if that officer subsequently is deceased.

(g) The complete interrogation of a public safety officer may be recorded. If a tape recording is made of the interrogation, the public safety officer shall have access to the tape if any further proceedings are contemplated or prior to any further interrogation at a subsequent time. The public safety officer shall be entitled to a transcribed copy of any notes made by a stenographer or to any reports or complaints made by investigators or other persons, except those which are deemed by the investigating agency to be confidential. No notes or reports that are deemed to be confidential may be entered in the officer's personnel file. The public safety officer being interrogated shall have the right to bring his or her own recording device and record any and all aspects of the interrogation.

(h) If prior to or during the interrogation of a public safety officer it is deemed that he or she may be charged with a criminal offense, he or she shall be immediately informed of his or her constitutional rights.

(i) Upon the filing of a formal written statement of charges, or whenever an interrogation focuses on matters that are likely to result in punitive action against any public safety officer, that officer, at his or her request, shall have the right to be represented by a representative of his or her choice who may be present at all times during the interrogation. The representative shall not be a person subject to the same investigation. The representative shall not be required to disclose, nor be subject to any punitive action for refusing to disclose, any information received from the officer under investigation for non-criminal matters.

This section shall not apply to any interrogation of a public safety officer in the normal course of duty, counseling, instruction, or informal verbal admonishment by, or other routine or unplanned contact with, a supervisor or any other public safety officer, nor shall this section apply to an investigation concerned solely and directly with alleged criminal activities.

(j) No public safety officer shall be loaned or temporarily reassigned to a location or duty assignment if a sworn member of his or her department would not normally be sent to that location or would not normally be given that duty assignment under similar circumstances.

3304. (a) No public safety officer shall be subjected to punitive action, or denied promotion, or be threatened with any such treatment, because of the lawful exercise of the rights granted under this chapter, or the exercise of any rights under any existing administrative grievance procedure.

Nothing in this section shall preclude a head of an agency from ordering a public safety officer to cooperate with other agencies involved in criminal investigations. If an officer fails to comply with such an order, the agency may officially charge him or her with insubordination.

(b) No punitive action, nor denial of promotion on grounds other than merit, shall be undertaken by any public agency against any public safety officer who has successfully completed the probationary period that may be required by his or her employing agency without providing the public safety officer with an opportunity for administrative appeal.

(c) No chief of police may be removed by a public agency, or appointing authority, without providing the chief of police with written notice and the reason or reasons therefore and an opportunity for administrative appeal.

For purposes of this subdivision, the removal of a chief of police by a public agency or appointing authority, for the purpose of implementing the goals or policies, or both, of the public agency or appointing authority, for reasons including, but not limited to, incompatibility of management styles or as a result of a change in administration, shall be sufficient to constitute "reason or reasons."

Nothing in this subdivision shall be construed to create a property interest, where one does not exist by rule or law, in the job of Chief of Police.

(d) Except as provided in this subdivision and subdivision (g), no punitive action, nor denial of promotion on grounds other than merit, shall be undertaken for any act, omission, or other allegation of misconduct if the investigation of the allegation is not completed within one year of the public agency's discovery by a person authorized to initiate an investigation of the allegation of an act, omission, or other misconduct. This one-year limitation period shall apply only if the act, omission, or other misconduct occurred on or after January 1, 1998. In the event that the public agency determines that discipline may be taken, it shall complete its investigation and notify the public safety officer of its proposed disciplinary action within that year, except in any of the following circumstances:

- (1) If the act, omission, or other allegation of misconduct is also the subject of a criminal investigation or criminal prosecution, the time during which the criminal investigation or criminal prosecution is pending shall toll the one-year time period.
- (2) If the public safety officer waives the one-year time period in writing, the time period shall be tolled for the period of time specified in the written waiver.
- (3) If the investigation is a multi jurisdictional investigation that requires a reasonable extension for coordination of the involved agencies.
- (4) If the investigation involves more than one employee and requires a reasonable extension.
- (5) If the investigation involves an employee who is incapacitated or otherwise unavailable.
- (6) If the investigation involves a matter in civil litigation where the public safety officer is named as a party defendant, the one-year time period shall be tolled while that civil action is pending.
- (7) If the investigation involves a matter in criminal litigation where the complainant is a criminal defendant, the one-year time period shall be tolled during the period of that defendant's criminal investigation and prosecution.
- (8) If the investigation involves an allegation of workers' compensation fraud on the part of the public safety officer.

(e) Where a pre-disciplinary response or grievance procedure is required or utilized, the time for this response or procedure shall not be governed or limited by this chapter.

(f) If, after investigation and any pre-disciplinary response or procedure, the public agency decides to impose discipline, the public agency shall notify the public safety officer in writing of its decision to impose discipline, including the date that the discipline will be imposed, within 30 days of its decision, except if the public safety officer is unavailable for discipline.

(g) Notwithstanding the one-year time period specified in subdivision (c), an investigation may be reopened against a public safety officer if both of the following circumstances exist:

- (1) Significant new evidence has been discovered that is likely to affect the outcome of the investigation.
- (2) One of the following conditions exist:
 - (A) The evidence could not reasonably have been discovered in the normal course of investigation without resorting to extraordinary measures by the agency.
 - (B) The evidence resulted from the public safety officer's pre-disciplinary response or procedure.

(h) For those members listed in subdivision (a) of Section 830.2 of the Penal Code, the 30-day time period provided for in subdivision

(e) shall not commence with the service of a preliminary notice of adverse action, should the public agency elect to provide the public safety officer with such a notice.

3304.5. An administrative appeal instituted by a public safety officer under this chapter shall be conducted in conformance with rules and procedures adopted by the local public agency.

3305. No public safety officer shall have any comment adverse to his interest entered in his personnel file, or any other file used for any personnel purposes by his employer, without the public safety officer having first read and signed the instrument containing the adverse comment indicating he is aware of such comment, except that such entry may be made if after reading such instrument the public safety officer refuses to sign it. Should a public safety officer refuse to sign, that fact shall be noted on that document, and signed or initialed by such officer.

3306. A public safety officer shall have 30 days within which to file a written response to any adverse comment entered in his personnel file. Such written response shall be attached to, and shall accompany, the adverse comment.

3306.5. (a) Every employer shall, at reasonable times and at reasonable intervals, upon the request of a public safety officer, during usual business hours, with no loss of compensation to the officer, permit that officer to inspect personnel files that are used or have been used to determine that officer's qualifications for employment, promotion, additional compensation, or termination or other disciplinary action.

(b) Each employer shall keep each public safety officer's personnel file or a true and correct copy thereof, and shall make the file or copy thereof available within a reasonable period of time after a request therefore by the officer.

(c) If, after examination of the officer's personnel file, the officer believes that any portion of the material is mistakenly or unlawfully placed in the file, the officer may request, in writing, that the mistaken or unlawful portion be corrected or deleted. Any request made pursuant to this subdivision shall include a statement by the officer describing the corrections or deletions from the personnel file requested and the reasons supporting those corrections or deletions. A statement submitted pursuant to this subdivision shall become part of the personnel file of the officer.

(d) Within 30 calendar days of receipt of a request made pursuant to subdivision (c), the employer shall either grant the officer's request or notify the officer of the decision to refuse to grant the request. If the employer

refuses to grant the request, in whole or in part, the employer shall state in writing the reasons for refusing the request, and that written statement shall become part of the personnel file of the officer.

3307. (a) No public safety officer shall be compelled to submit to a lie detector test against his or her will. No disciplinary action or other recrimination shall be taken against a public safety officer refusing to submit to a lie detector test, nor shall any comment be entered anywhere in the investigator's notes or anywhere else that the public safety officer refused to take, or did not take, a lie detector test, nor shall any testimony or evidence be admissible at a subsequent hearing, trial, or proceeding, judicial or administrative, to the effect that the public safety officer refused to take, or was subjected to, a lie detector test.

(b) For the purpose of this section, "lie detector" means a polygraph, deceptograph, voice stress analyzer, psychological stress evaluator, or any other similar device, whether mechanical or electrical, that is used, or the results of which are used, for the purpose of rendering a diagnostic opinion regarding the honesty or dishonesty of an individual.

3307.5 (a) No public safety officer shall be required as a condition of employment by his or her employing public safety department or other public agency to consent to the use of his or her photograph or identity as a public safety officer on the Internet for any purpose if that officer reasonably believes that the disclosure may result in a threat, harassment, intimidation, or harm to that officer or his or her family.

(b) Based upon his or her reasonable belief that the disclosure of his or her photograph or identity as a public safety officer on the Internet as described in subdivision (a) may result in a threat, harassment, intimidation, or harm, the officer may notify the department or other public agency to cease and desist from that disclosure. After the notification to cease and desist, the officer, a district attorney, or a United States Attorney may seek an injunction prohibiting any official or unofficial use by the department or other public agency on the Internet of his or her photograph or identity as a public safety officer. The court may impose a civil penalty in an amount not to exceed five hundred dollars (\$500) per day commencing two working days after the date of receipt of the notification to cease and desist.

3308. No public safety officer shall be required or requested for purposes of job assignment or other personnel action to disclose any item of his property, income, assets, source of income, debts or personal or domestic expenditures (including those of any member of his family or household) unless such information is obtained or required under state law or proper legal procedure, tends to indicate a conflict of interest with respect to the performance of his official duties, or is necessary for the employing agency to ascertain

the desirability of assigning the public safety officer to a specialized unit in which there is a strong possibility that bribes or other improper inducements may be offered.

3309. No public safety officer shall have his locker, or other space for storage that may be assigned to him searched except in his presence, or with his consent, or unless a valid search warrant has been obtained or where he has been notified that a search will be conducted. This section shall apply only to lockers or other space for storage that are owned or leased by the employing agency.

3309.5 (a) It shall be unlawful for any public safety department to deny or refuse to any public safety officer the rights and protections guaranteed to him or her by this chapter.

(b) Nothing in subdivision (h) of Section 11181 shall be construed to affect the rights and protections afforded to state public safety officers under this chapter or under Section 832.5 of the Penal Code.

(c) The superior court shall have initial jurisdiction over any proceeding brought by any public safety officer against any public safety department for alleged violations of this chapter.

(d) (1) In any case where the superior court finds that a public safety department has violated any of the provisions of this chapter, the court shall render appropriate injunctive or other extraordinary relief to remedy the violation and to prevent future violations of a like or similar nature, including, but not limited to, the granting of a temporary restraining order, preliminary, or permanent injunction prohibiting the public safety department from taking any punitive action against the public safety officer.

(2) If the court finds that a bad faith or frivolous action or a filing for an improper purpose has been brought pursuant to this chapter, the court may order sanctions against the party filing the action, the parties attorney, or both, pursuant to Sections 128.6 and 128.7 of the Code of Civil Procedure. Those sanctions may include, but not be limited to, reasonable expenses, including attorney's fees, incurred by a public safety department, as the court deems appropriate. Nothing in this paragraph is intended to subject actions or filings under this section to rules or standards that are different from those applicable to other civil actions or filings subject to Section 128.6 or 128.7 of the Code of Civil Procedure.

(e) In addition to the extraordinary relief afforded by this chapter, upon a finding by a superior court that a public safety department, its employees, agents, or assigns, with respect to acts taken within the scope of employment, maliciously violated any provision of this chapter with the intent to injure the public safety

officer, the public safety department shall, for each and every violation, be liable for a civil penalty not to exceed twenty-five thousand dollars (\$25,000) to be awarded to the public safety officer whose right or protection was denied and for reasonable attorney's fees as may be determined by the court. If the court so finds, and there is sufficient evidence to establish actual damages suffered by the officer whose right or protection was denied, the public safety department shall also be liable for the amount of the actual damages.

Notwithstanding these provisions, a public safety department may not be required to indemnify a contractor for the contractor's liability pursuant to this subdivision if there is, within the contract between the public safety department and the contractor, a "hold harmless" or similar provision that protects the public safety department from liability for the actions of the contractor. An individual shall not be liable for any act for which a public safety department is liable under this section.

3310. Any public agency which has adopted, through action of its governing body or its official designee, any procedure which at a minimum provides to peace officers the same rights or protections as provided pursuant to this chapter shall not be subject to this chapter with regard to such a procedure.
3311. Nothing in this chapter shall in any way be construed to limit the use of any public safety agency or any public safety officer in the fulfilling of mutual aid agreements with other jurisdictions or agencies, nor shall this chapter be construed in any way to limit any jurisdictional or interagency cooperation under any circumstances where such activity is deemed necessary or desirable by the jurisdictions or the agencies involved.
3312. Notwithstanding any other provision of law, the employer of a public safety officer may not take any punitive action against an officer for wearing a pin or displaying any other item containing the American flag, unless the employer gives the officer written notice that includes all of the following:
- (a) A statement that the officer's pin or other item violates an existing rule, regulation, policy, or local agency agreement or contract regarding the wearing of a pin, or the displaying of any other item, containing the American flag.
 - (b) A citation to the specific rule, regulation, policy, or local agency agreement or contract that the pin or other item violates.
 - (c) A statement that the officer may file an appeal against the employer challenging the alleged violation pursuant to applicable grievance or appeal procedures adopted by the department or public agency that otherwise comply with existing law.

Subject: Retired Senior Volunteer Program Proposal

Proposal

College Police propose creation of a pilot retired senior volunteer patrol (RSVP) program. The program is designed to increase the visibility of security services and to augment college police by providing services, which cannot be performed with existing resources. This program is consistent with the Department's commitment to community policing. The pilot program goal is to test the feasibility of utilizing RSVP on a districtwide basis.

Program Description

The retired senior volunteer patrol will be composed of persons at least 55 years old drawn from the surrounding community. Patrol members will be uniformed and will be provided radio communication. RSVP members will be assigned a vehicle, will work in pairs, and will be expected to provide increased visibility in campus parking lots and at Center for Education and Technology sites.

RSVP members may be called upon to work during the first weeks of the semester and at special events. They may guide and direct visitors and provide information about campus locations and events. Additional duties may include, but not be limited to, parking enforcement of disabled spaces, patrol and visit outlying CET sites contacting the site office managers; provide campus information and directions; observe and report suspicious conditions and maintenance needs; assist with safety education programs; and mail distribution.

RSVP programs have been shown to possess adequate incentive for senior volunteers. These include an opportunity to return something to the community and the opportunity to engage in meaningful work on a part-time basis.

The initial goal for the pilot program is to identify eight qualified seniors willing to volunteer at least four hours per week. RSVP will operate Monday - Thursday between 8 AM and noon. The program headquarters will be Mesa College. The proposed hours of operation coincide with times when student population is at it peak. The days and hours may be expanded or altered based on need and program experience.

The estimated start-up cost for the senior program is less than \$1000. This will cover the cost of recruitment brochures and program materials, training materials, applicant fingerprinting and uniform components which will remain the property of the District.

These costs do not include the salary cost of existing personnel required to supervise the program. They do not include the cost of vehicle operation: gasoline and maintenance. The Department currently has a vehicle and office space suitable for RSVP use. The Department has sufficient resources to fund the pilot program.

The RSVP program at initial program goal strength can be expected to produce 1472 RSVP hours a year. While the District does not have a comparable job classification (for the type of work to be performed by senior volunteers), the estimated cost of providing these hours with paid hourly staff is \$20,600.

A survey of California community colleges revealed no community college operates an RSVP type program. The City of San Diego, however, has successfully implemented a variety of volunteer programs, with the Retired Senior Volunteer Patrol being among the most successful and cost effective. The reliability of senior volunteers, low turnover and ability to self manage make the RSVP concept worth pursuing.

The pilot program is consistent with District Procedure 4800.10 (Workers' Compensation: Authorized Volunteers).

Supervision and Coordination

Establishment of a volunteer program will require designating a program coordinator to recruit, screen, train, and schedule volunteers. The coordinator will develop program materials and oversee ongoing operation of the system.

Initially, this may be a collateral assignment for an existing police officer. An assigned police supervisor will handle supervision issues for the pilot program. Mature RSVP Programs typically are headed by RSVP members possessing management backgrounds, with administrative support and program direction from a designated police supervisor.

Vehicle

The current white 4-door sedan has District logos and is currently used at nighttime by uniformed security officers. The vehicle is not equipped with red and blue emergency lights or sirens.

Uniforms

RSVP personnel will adapt to the San Diego Police Department uniform standards for their RSVP program, including light blue shirts, dark blue pants, black belt and shoes. The RSVPs will be responsible for purchasing and maintaining this uniform. The department will provide their badges, shirt patches, name tag and identification card.

Training

The department has consulted with the San Diego Police Department's volunteer programs unit in an effort to develop the best possible program. San Diego Police Department has offered to allow our department to send RSVP personnel to their training sessions without charge, on a space available basis. These academies are held 4 times per year and consist of 40 hours of training.

Program Evaluation

The Department will create an evaluation component for the pilot program. The evaluation will identify whether the program meets established goals in terms of work performed, hours worked, and volunteer satisfaction. Volunteer programs are typically evaluated by the continuing interest of program volunteers.

Programs that are poorly conceived and do not provide a meaningful experience for the volunteer typically experience an inability to recruit and retain volunteers.
